Public Comment

Old Business

Sustainable New Jersey

- Mr. DeCarolis was not in attendance - will carry to February meeting.

Property on Waisigan Road - Hough Residence

- Bill Crone took a ride and looked at the property after a snow storm and a rain storm and saw nothing major happening. Mr. Crone checked the drain pipe and that pipe actually empties onto a different property. Mr. Crone's suggestion is to talk to his neighbors and discuss with them what they can do to help alleviate this problem.

New Business

- ANJEC Programs - discussed different programs that are available for our commission and Ms. Zilberfarb will bring copies of them to the next meeting for all members.

Planning Board Report (P. Fleno)

- Carry to next meeting

Open Space & NJ Forestry Management Report (M. Cullen)

- Discussed the Reisberg property.

Zoning Board Report

- The Board of Adjustment will send a representative each month on a rotation basis starting in February or March.
