New Business

- A list of annual accomplishments should be written and turned into the Township Committee, including something regarding our budget for 2011.
- There is a need for new members on the environmental commission as well as the Green Team. Ms. Zilberfarb will check with Mrs. Kleber to put something on the sign outside and/or on the webpage. Also Mr. DeCarolis suggested having one member from the Planning and Zoning Board not on a monthly rotation.
