Report of Standing Committees:

Ballfield-vinegar solution didn't work on the weeds.

Baseball-Todd absent

Basketball-Mike will order uniforms. Next year consider using the Seven Day Adventist retreat center. They charge \$100.00 an hour.

Soccer-going good. Will need to order 2 nets for the large goals

Advertising-Hay ride will be advertised

Concession Stand-Jessica Caruso cleaned it out and opened it for games

Movie Night-the movie will be Nut Job

Old Business:

The Hay ride will be held from 4-6 and the Municipal Alliance will have their open house from 4-8. We have enough hot dogs from the picnic. We will get the wagons and hay from Dan Carson and a tractor from Rich Dericks. Kevin Mattos will provide the lighting.

An e mail received from the PTO president Carolyn Stracco was read. They are recruiting teachers from other local schools to teach after school science. The club would meet once a month from January to May for a total of 5 classes and the teachers would get paid \$200.00 a class. The members of the recreation committee felt this was more of a school function and no action will be taken.

The sub committee on the playground purchase hasn't met yet. Mr. Desiderio informed the members that the insurance company wants us to get rid of the wooden equipment. It was decided that we would repair the equipment instead.

New Business:

The charging for the use of the fields is on hold.

Mr. Desiderio told the members that the parking lot for the FFP on Lincoln Laurel Road needs to be opened for the Girls Scouts grand opening of their trail.

Audience Participation-none

Adjournment:

There being no further business the meeting was adjourned.

Respectfully Submitted,

Brenda J. Kleber, Secretary
