

FRELINGHUYSEN TOWNSHIP RECREATION COMMITTEE
Minutes-June 4, 2016

Founders Day notes:

50 bags of ice used but still ran out. It was a very hot day and they were smaller bags than we normally get. Ask Johnsonburg Camp for next year.

Todd will make macaroni & potato salads next year and will save us from buying them at the store. He will make two large trays. We will only need three cans of beans instead of four.

Brain Sasselman will donate the large tent for next year.

We went through 65 gallons of water and we were still short.

Think about putting a tarp over the bbq next year or moving grills to where the dj plays to grill spot.

Make better use of the microphone at Founders Day to announce Casino Night, Halloween and sport events.

Old Business:

Move John Lotz sign to our newest ballfield.

Need a check for Ian Hernandez and Jessie Desiderio for scholarships.

Discussion was held on park equipment and trouble finding an installer. Will look into different options including climbing structures instead of swings.

New Business:

Send a note to the baseball coordinator to have-1st Saturday in June as a blackout day.

Motion was made for 2 game suspension for Alan Mantz. Mark made motion and Clare made second motion. It was unanimous. Frank and Todd will go to Tuesdays game and make sure Alan Mantz is not at the game.

Motion to look into homerun fences. Mark made motion. Clare seconded. Frank opposed.

Adjournment:

Frank motions to close, Amy will second.

Respectfully Submitted,

Amy Winfield
