

**October 26, 2012**

Based on the counsel of JCP&L, all Frelinghuysen residents are advised to prepare for a potential power outage of 7 - 10 days, due to the impending arrival of Hurricane Sandy on Sunday evening, October 28th. The Frelinghuysen Office of Emergency Management will be working closely with township government, as well as with emergency management departments in neighboring towns, local fire departments and the state police to ensure public safety. Residents are advised to stock up on necessary supplies between now and Sunday evening. This office will release a detailed advisement tomorrow evening.
