NICHOLAS PAOLELLA, P.E.
ASSISTANT COUNTY ENGINEER

September 19, 2017

Mr. Steve Howell
9-1-1 Division Manager
1024 Route 57
Washington, NJ 07882

Subject: Replacement of Warren County Culvert #06069, County Route #681 (Ackerson Road) over Tributary to Beaver Brook, Frelinghuysen Township, Contract #WC1714

Dear Mr. Howell:

The County of Warren has a contract with State Line Construction Co., Inc. for the above project. If an after hour emergency occurs, please use the following emergency numbers:

<u>State Line Construction Co., Inc.</u>	<u>(973) 621-2828 (office)</u>
Hernando Escobar	(973) 277-0537 (24 hr. cell)
	(973)(24 hr. cell)
	(973)(24 hr. cell)

<u>County Engineer's Office</u>	<u>(908) 475-6545 (office)</u>
Nicholas Paoella, P.E.	(908) 319-8425 (24 hr. cell)

The culvert is scheduled for closure on or about October 2, 2017 and will reopen on or about December 8, 2017. A road closure and detour is scheduled during construction. "On or About" closure signs will be erected indicating the anticipated date of closure. County Route #608, Kerrs Corner Road, Lanning Road, and County Route #519 will be used to detour around the proposed closure. Enclosed is a copy of the detour route during construction. When the official date of closing is determined, our office will call 911 dispatch.

Warren County requests that the municipal clerk notify their respective emergency services and public works departments with regard to the culvert project and road closure.

Mr. Steve Howell
