

**PROCLAMATION**  
**Radon Action Month**  
**January 2017**

WHEREAS, radon is a naturally occurring radioactive gas that is the second leading cause of lung cancer; and

WHEREAS, prolonged exposure to radon can kill as many as 500 people in New Jersey each year; and

WHEREAS, families who reside in homes with elevated radon levels are at risk of developing serious health problems; and

WHEREAS, any home could have high levels, even when neighboring homes do not; and

WHEREAS, radon testing can be done with great ease at a relatively low expense to the homeowner, with the cost of reducing radon concentrations being comparable to that of any home repair; and

WHEREAS, the New Jersey Department of Environmental Protection and the United States Environmental Protection Agency are collaborating during the month of January to promote the need for radon testing in an effort to protect the lives of our State's residents; and

WHEREAS, if all New Jersey homes with radon concentrations at or above 4pCi/L were mitigated, about 83 lives could be saved this year.

NOW, THEREFORE, I, Christopher Kuhn, Mayor of the Township of Frelinghuysen, County of Frelinghuysen on behalf the Township of Frelinghuysen Township Committee and residents of the Township of Frelinghuysen, do hereby proclaim the month of January, 2017, as RADON ACTION MONTH, in the Township of Frelinghuysen, County of Warren, and call upon all residents who have not yet tested to test their homes for radon and to reduce radon levels if elevated levels are found, to protect their families from the serious health risk of radon.

Signed this 14<sup>th</sup> day of December, 2016.
